NEW MEETINGS

International Airfield and Highway Pavements Conference

Chicago, Illinois | July 21–24, 2019

TRANSPORTATION MATTERS | 
SUMMIT 10.3.2019 | codot.gov/summit

2019 Conference List

January 2019

- North Carolina Transportation Summit

January 9-10 | Raleigh, NC

North Carolina's projected growth requires consideration and careful action, especially regarding population growth. In fact, the state's population is expected to increase by 3 million people by the year 2040. That impressive number is equivalent to the entire state of Kansas relocating to North Carolina. While a remarkable statistic, this growth has the potential to create new challenges. The Summit is an exceptional opportunity for people to gather and consider these fast-approaching and disruptive shifts.

- Transportation Research Board (TRB) Annual Meeting

January 13-17 | Washington, D.C.
Walter E. Washington Convention Center

The meeting program will cover all transportation modes, with more than 5,000 presentations in nearly 800 sessions and workshops, addressing topics of interest to policy makers, administrators, practitioners, researchers, and representatives of government, industry, and academic institutions. A number of sessions and workshops will focus on the spotlight theme for the 2019 meeting: Transportation for a Smart, Sustainable, and Equitable Future.

- Kentucky Transportation Conference

January 16-18 | Lexington, KY
Hyatt Regency Lexington

Now in its 41st year - KBT's Kentucky Transportation Conference is a premier event. Our conference is designed to provide ample opportunity to network with and learn from leaders throughout Kentucky and the nation. More than 500 industry participants trust this premier event to provide them with up-to-date knowledge and information necessary to remain successful in their industry.

February 2019

- **AMAP Annual Conference & Workshop**

**February 5-7 | Ft. Lauderdale, FL
Pier Sixty-Six Hotel & Marina**

Modified Asphalt - The Proven Choice. Today's modified asphalt mix designs provide long lasting, cost effective, quiet and smooth driving surfaces. Each year, AMAP brings together industry leaders and technology experts to discuss successful modified asphalt projects as well as advances and changes in technology and industry needs. Prior to the Conference, we also conduct our highly regarded Modified Asphalt Workshop. Six professional development hours will be awarded for attendance.

- **ATSSA 49th Annual Convention & Traffic Expo**

**February 8-12 | Tampa, FL
Tampa Convention Center**

ATSSA's Annual Convention & Traffic Expo is the premier event for nearly 3,500 roadway safety professionals and transportation officials from across the USA and around the globe. The convention brings together business leaders, government officials, manufacturers, corporate roadway department personnel and all manner of people involved in nearly every aspect of roadway safety.

- **California Transportation Planning Conference**

**February 25-27 | San Diego, CA
Westin San Diego**

The 2019 CTPC will bring together representatives and officials from Federal Highway Administration, Federal Transit Administration, State Agencies, Universities, Metropolitan Planning Organizations, Regional Transportation Planning Agencies, Transit Operators and Agencies, Tribal Governments, Cities, Counties, Private Sector Partners, Advocacy Groups, Researchers, Students, and other interested transportation entities.

- **World Trade and Transport Conference**

**February 27-28 | New Orleans, LA
Omni Royal Orleans**

The World Trade & Transport Conference focuses on promoting the commerce and cargo shipping throughout the Mississippi River system. It convenes companies that are involved in the production, handling, sales and distribution for several million tons of commodities including aggregates, cement, coal, coke, fertilizers, grain, industrial minerals, raw materials, and steel.

March 2019

- **Geo-Congress 2019**

**March 24 - 27 | Philadelphia, PA
Pennsylvania Convention Center**

The conference will feature experiences and observations from hundreds of geoengineering projects, including recent "MegaProjects," and a wide range of knowledge-enhancing technical and panel sessions, short courses, and workshops.

- **Transportation and Logistics Council Annual Conference**

**March 25 - 27 | Memphis, TN
Hilton Memphis**

Both new and seasoned professionals from shippers, carriers, brokers, 3PL's and other service providers will be on-hand for this annual event. Updates and pertinent information affecting the transportation industry are among the many topics expected to be covered.

April 2019

- **Design-Build for Transportation Conference**

**April 8-10 | Cincinnati, OH
Duke Energy Convention Center**

Are you a design-build professional in the transportation sector? Don't miss the chance to connect with other industry professionals and learn the latest industry trends at the Design-Build for Transportation Conference.

- **Advanced Clean Transportation Expo**

**April 14-18 | Wichita, KS
Hyatt Regency Wichita**

County road officials manage over 75% of US highways and roads, and 50% of our mass transit systems. They also own or operate over 50% of our bridges. Counties invest over \$100B annually on infrastructure!

- **National Association of County Engineers Annual Conference**

**April 23-26 | Long Beach, CA
Long Beach Convention Center**

ACT Expo combines the best educational content in the industry with a cutting-edge trade show floor showcasing the most innovative technologies on the market today. Connected vehicle technologies, fuel efficiency improvement strategies and equipment, and drivetrain electrification will be key focal points for the 2019 show, set against the backdrop of increased use of alternative fuels, innovative powertrain solutions and economic & environmental fleet sustainability.

May 2019

- **WTS Annual Conference**

**May 15 - 17 | Boston, MA
Westin Copley Place Hotel**

WTS International invites you to submit a poster abstract for the 2019 Annual Conference in Boston which will take place May 15-17, 2019 at the Westin Copley Place Hotel. The event will bring together transportation professionals to Connect, Collaborate, and Innovate in a city well known for ingenuity.

This is an opportunity for conference registrants to showcase transportation and infrastructure related projects, facilities, research and experiences that align with the Conference theme, "The Hub of

Ingenuity." Accepted posters will be on display throughout the conference. Authors will be expected to share insight about their poster during the Mix N' Mingle Reception on Thursday evening and during Coffee Breaks throughout the conference. This is an opportunity to engage with others in conversation about your poster.

June 2019

- **ASCE International Conference on Transportation & Development**

June 9 - 12 | Alexandria, VA
Hilton Alexandria Mark Center

The Steering Committee of ASCE International Conference on Transportation & Development (ICTD 2019) is accepting abstracts for presentations at the conference. Final papers are optional for accepted abstracts; those submitted will be published upon final approval in the ASCE's Post-Conference Conference Proceedings. You do not need to be an ASCE member to submit an abstract and participate in the conference.

- **WASHTO Annual Meeting**

June 9 - 12 | Glendale, AZ
Renaissance Glendale Hotel & Spa

Approximately 500 attendees will be on hand to experience WASHTO 2019, which will feature informative breakout sessions, technical tours and information covering all areas of interest in highway transportation. Look for registration to open in February 2019.

July 2019

- **International Airfield and Highway Pavements Conference**

July 21 - 24 | Chicago, IL
Holiday Inn Chicago Mart Plaza River North

Join your peers and other experts from around the world as we get together in beautiful downtown Chicago to share ideas and advance the knowledge on airfield and highway pavements.

August 2019

- **SASHTO Annual Conference**

August 17 - 20 | Savannah, GA
Savannah International Trade and Convention Center

The 78th Annual Southern Association of State Highway and Transportation Officials Conference is the premier event of the year and showcases the opportunity to exchange ideas, discuss challenges, share best practices, participate in technical sessions on highway and transportation matters, network with industry representatives and bask in the southern hospitality you can only experience in beautiful Savannah, Georgia.

October 2019

- **Colorado Transportation Summit**

October 3, 2019 | Colorado

The Colorado Transportation Summit is the largest gathering of the transportation sector in the state of Colorado. For five years, the Colorado Department of Transportation has gathered the business community, local governments, and transportation-related interests together under one roof to underscore the importance of a healthy and dynamic transportation system for Colorado.
