### January 2020

- **American Concrete Pipe Association School/Pipe Show**

**January 6-9, 2020 | San Marcos, TX  
Texas State University**

*Leadership starts at the top and trickles its way through an organization. Strong leaders provide vision and intent to their organization. They also provide their organization the means to become better, through training and education. ACPA's Board of Directors provides the vision, intent and*

means to ensure that the concrete pipe and the precast concrete products industry remains of vital importance to sustainable communities. An effective training and best practices sharing forum provides the means that ensures the concrete pipe and precast industry remain at the top. The annual Pipe School and Show provides the mechanism to continue the training and development of its employees and transportation professionals and ensuring the concrete pipe and precast concrete industry remains the #1 choice of infrastructure asset management professionals.

- **2020 NC Transportation Summit**

**January 8 - 9 | Raleigh, NC**  
**Raleigh Convention Center**

*By 2040, an estimated 3 million more people will be living in North Carolina. More than 1,000 people attended the 2019 Summit. Industry experts will offer insight and guidance on the future of mobility. Experience cutting-edge technology of the future at the trade expo.*

- **Transportation Research Board - 99th Annual Meeting**

**January 12 - 16 | Washington, D.C.**  
**Walter E. Washington Convention Center**

*The meeting program will cover all transportation modes, with more than 5,000 presentations in nearly 800 sessions and workshops, addressing topics of interest to policy makers, administrators, practitioners, researchers, and representatives of government, industry, and academic institutions. A number of sessions and workshops will focus on the spotlight theme for the 2020 meeting: A Century of Progress: Foundation for the Future.*

- **16th Annual Southwestern Rail Conference**

**January 23 - 24 | Dallas, TX**  
**The Beeman Hotel**

*You'll notice that presentations are shorter in length than in previous years. We've designed our panels and presenters to be quick and nimble on their delivery but we're not going to short change you. To keep the conference moving at track speed we offer the "Chat Room". Following presentations you can join the speaker for a brief Q&A in our nearby "Chat Room" and then rejoin the conference in progress.*

- **ATTSA Annual Convention & Traffic Expo**

**January 24 - 28 | New Orleans, LA**  
**Ernest N. Morial Convention Center**

*ATTSA's Annual Convention & Traffic Expo is the premier event for more than 3,500 roadway safety professionals and transportation officials from across the USA and around the globe. The convention brings together business leaders, government officials, manufacturers, corporate roadway department personnel and all manner of people involved in nearly every aspect of roadway safety.*

## February 2020

- Routes Americas Forum

February 4 - 6 | Indianapolis, IN  
JW Marriott

*Routes Americas Forum is your opportunity to meet with senior decision makers from the region's airlines, airports, and destinations to discuss new market opportunities and the evolution of existing services. The event connects you with the region's leading airlines, airports and tourism authorities, enabling you to build high-value relationships with some of the most influential aviation professionals from across the region.*

- Association of Modified Asphalt Producers - Annual Conference

February 11 - 14 | Rancho Mirage, CA  
SAVE THE DATE

*Modified Asphalt - The Proven Choice. Today's modified asphalt mix designs provide long lasting, cost effective, quiet and smooth driving surfaces. Each year, AMAP brings together industry leaders and technology experts to discuss successful modified asphalt projects as well as advances and changes in technology and industry needs.*

- IBTTA Leadership Academy

February 23 - 28 | Washington, DC  
Westin City Center

*IBTTA's Leadership Academy was founded in 2008 by the IBTTA Foundation Board of Directors. The Leadership Academy is an executive development program tailored specifically for senior-level managers in public and private sector organizations that serve the toll industry.*

*This intense week-long course is taught by internationally recognized toll industry leaders, business partners, educators and public officials. The curriculum varies every year and spans all facets of toll agency operations, administration, finance, marketing, business development, board relations, public affairs and related topics. The Executive Development Program is directed by Barbara K. Gannon, Psy.D., who has designed and delivered education and training programs in the transportation sector for over 20 years. Dr. Gannon is joined by Maggie Wilkins of Wilkins Strategies and numerous distinguished instructors from the public and private sectors. The Leadership Academy is funded by student tuition along with contributions to the IBTTA Foundation*

- Geo-Congress 2020

February 25 - 28 | Minneapolis, MN  
Hyatt Regency Minneapolis

*In 2020, the Geo-Congress will bring the quality you expect, the networking opportunities you value, and the peer interaction that only in-person experiences provide. We are introducing some new programming and themes to make this conference a "signature event" for consulting engineers, contractors, researchers, owners, and students.*

- **AASHTO Washington Briefing**

**February 25 - 28 | Washington, D.C.**  
**Washington Court Hotel**

*The Washington Briefing provides an excellent opportunity for participants to collaborate with State Departments of Transportation leaders and industry executives on pressing policy matters. Given the close partnerships necessary to best serve the traveling public and businesses around the country, the conference will feature key stakeholder groups including Congressional members and staff, federal executive branch leaders, trade associations, and media.*

## **March 2020**

- **P3C Conference & Expo**

**March 2 - 4 | Dallas, TX**  
**Sheraton Hotel - Dallas**

*The Public-Private Partnership Conference & Expo unites leaders from states and localities, higher education institutions, and public agencies, with industry to discuss infrastructure challenges faced nationwide; and how innovations in project delivery, procurement, life cycle asset management, and technology can help solve critical issues.*

- **Minnesota Transportation Conference 2020**

**March 3 - 4 | St. Paul, MN**  
**St. Paul RiverCentre**

*Minnesota's Transportation Conference, the largest transportation event in the state, explores the latest transportation innovations and offers networking opportunities for transportation professionals.*

- **2020 AGC Convention**

**March 9 - 12 | Las Vegas, NV**  
**SAVE THE DATE**

*With more than 15 education breakout sessions, keynote presentations from superstars of the industry, and cutting-edge solutions from more than 125 companies in the AGC Equipment, Technology & Construction Solutions Expo, the AGC Annual Convention is the place for construction superintendents, project managers and senior executives to hone their knowledge while making connections that open doors to new opportunities.*

## **April 2020**

- **National Association of County Engineers Annual Conference**

**April 19 - 23 | Orange Beach, AL**  
**Perdido Beach Resort**

*The LARGEST event of County infrastructure officials.*

- **KDOT Transportation Safety Conference**

**April 21 - 22 | Topeka, KS  
Capital Plaza Hotel**

*This conference provides valuable information for law enforcement personnel, court professionals, state and local government officials, engineers, safety advocates, EMT and EMS workers, teen drivers, educators and counselors, special interest group representatives and more.*

- **Transportation and Logistics Council Annual Conference**

**April 27 - 29 | Orlando, FL  
Doubletree at Seaworld**

*Both new and seasoned professionals from shippers, carriers, brokers, 3PL's and other service providers will be on-hand for this annual event. Updates and pertinent information affecting the transportation industry are among the many topics expected to be covered.*

## **May 2020**

- **Utility Engineering and Survey Institute Annual Conference**

**May 4 - 6, 2020 | College Station, TX**

*Utility Engineering and Survey Institute (UESI) Texas Chapter is proud to announce our Second Annual Conference to highlight and promote membership in our growing specialized team of professionals. With your expertise, we hope to deliver the message related to the importance of working relationships between the Project Stakeholders involved in Utility Coordination, Utility Engineering and Surveying to tackle the scope, schedule, cost and quality issues on our projects throughout the state of Texas.*

- **Project Management Symposium - University of Maryland**

**May 7 - 8, 2020 | College Park, MD  
Stamp Student Union**

*For two days, join project managers from the Baltimore-Washington metro area, and abroad, for DC's premier project management symposium. Share experiences, make connections, and learn the best project management practices at our seventh annual Project Management Symposium.*

- **Safer Roads 2020 - International Conference**

**May 12 - 14, 2020 | Richmond, VA  
Richmond Convention Center**

*This year's conference will be held in conjunction with the American Association of State Highway and Transportation Officials' (AASHTO) Committee on Safety. The AASHTO group includes both policy and technical level within the state department of transportation (DOT), and represents the multidisciplinary approach to safety performance, including experience in engineering, enforcement, education, emergency medical service or incident response, and the use of data-driven safety evaluation, analysis, and diagnosis to identify and address the need to reduce crashes.*

- **GWIC | Groundbreaking Women In Construction**

**May 14 - 15, 2020 | San Francisco, CA  
Hilton Union Square**

GWIC is much more than just a conference. It is a catalyst for change to inspire women at all levels to develop their leadership skills, expand their influence and boost industry growth potential. GWIC enables attendees to share, learn, challenge and inspire each other to contribute to their workplace and employer and realize career success!

- **Transportation, Air Quality and Health Symposium - TTI**

**May 18 - 20, 2020 | Riverside, CA**  
**The Mission Inn**

*Join us at the Transportation, Air Quality, and Health (TAQH2020) Symposium, hosted by the Center for Advancing Research in Transportation Emissions, Energy and Health (CARTEEH) and co-sponsored by Texas A&M Transportation Institute (TTI) and University of California, Riverside (UCR). This one-of-a-kind event will bring together experts from transportation and health. We will discuss research, policy, and emerging issues related to transportation emissions, energy, air quality, exposures, and human health.*

- **AASHTO Spring Meeting - 2020**

**May 26 - 29, 2020 | Kansas City, MO**  
**Loews Hotel Kansas City**

*AASHTO's mid-year event is only rivaled by the Annual Meeting. If you are part of the conversation for the future of transportation, this conference is one you should circle.*

- **ASCE Int'l Conference on Transportation & Development**

**May 26 - 29, 2020 | Seattle, WA**  
**Hyatt Regency Seattle**

*Jointly organized by American Society of Civil Engineers (ASCE) and Washington State Department of Transportation (WSDOT), ICTD 2020 offers a unique opportunity for public agencies, private industry, and research institutes to share their vision, exchange experience, collaborate on research, and showcase practical solutions on smart and integrated mobility solutions.*

## **June 2020**

- **Life Cycle Assessment 2020**

**June 3 - 6, 2020 | Sacramento, CA**  
**Hyatt Regency Hotel**

*The goal of the symposium is to share and discuss recent advances in Life Cycle Assessment (LCA) for pavement, roadways, and bridges, and review and discuss the current status and future developments, standardization and implementation of pavement, roadway, and bridge LCA.*

- **American Society of Highway Engineers National Conference**

**June 3 - 7, 2020 | Raleigh, NC**  
**Raleigh Convention Center**

*As the capital of North Carolina, Raleigh is one of the fastest-growing cities in the US and the optimal location for the ASHE National Conference. Easily accessible via I-40, I-85, I-95, the Raleigh-Durham International Airport, and by rail with the new Raleigh Union Station. The 'Triangle' region is a modern example of an extraordinary transportation system and the home to numerous cultural,*

educational, and historic sites. Seize this opportunity to interact, absorb, share and grow as we explore the future of transportation. Enjoy the food, nightlife, music, arts, recreation, outdoors, and hospitality that the "City of Oaks" has to offer.

- **WASHTO 2020**

**June 28 - July 1 | Salt Lake City, UT  
Grand America Hotel**

*Save the date for this annual gathering of this dynamic region.*
