- [THE - Illinois Transportation and Highway Engineering Conference](#)

2019 Conference List

February 2019

- [AMAP Annual Conference & Workshop](#)

February 5-7 | Ft. Lauderdale, FL
Pier Sixty-Six Hotel & Marina

Modified Asphalt - The Proven Choice. Today's modified asphalt mix designs provide long lasting, cost effective, quiet and smooth driving surfaces. Each year, AMAP brings together industry leaders and

technology experts to discuss successful modified asphalt projects as well as advances and changes in technology and industry needs. Prior to the Conference, we also conduct our highly regarded Modified Asphalt Workshop. Six professional development hours will be awarded for attendance.

- **ATSSA 49th Annual Convention & Traffic Expo**

February 8-12 | Tampa, FL
Tampa Convention Center

ATSSA's Annual Convention & Traffic Expo is the premier event for nearly 3,500 roadway safety professionals and transportation officials from across the USA and around the globe. The convention brings together business leaders, government officials, manufacturers, corporate roadway department personnel and all manner of people involved in nearly every aspect of roadway safety.

- **California Transportation Planning Conference**

February 25-27 | San Diego, CA
Westin San Diego

The 2019 CTPC will bring together representatives and officials from Federal Highway Administration, Federal Transit Administration, State Agencies, Universities, Metropolitan Planning Organizations, Regional Transportation Planning Agencies, Transit Operators and Agencies, Tribal Governments, Cities, Counties, Private Sector Partners, Advocacy Groups, Researchers, Students, and other interested transportation entities.

- **THE - Illinois Transportation and Highway Engineering Conference**

February 26-27 | Urbana, IL
Illini Union

Each year, more than one thousand transportation engineers, officials, technicians, faculty and students gather to discuss issues critical to the safe and economical movement of people and goods across Illinois, the U.S.A., and beyond.

- **World Trade and Transport Conference**

February 27-28 | New Orleans, LA
Omni Royal Orleans

The World Trade & Transport Conference focuses on promoting the commerce and cargo shipping throughout the Mississippi River system. It convenes companies that are involved in the production, handling, sales and distribution for several million tons of commodities including aggregates, cement, coal, coke, fertilizers, grain, industrial minerals, raw materials, and steel.

- **AASHTO Washington Briefing**

February 26 - March 1 | Washington, D.C.
The Washington Court Hotel

The Washington Briefing is an excellent opportunity to collaborate with State Departments of Transportation leaders and industry executives on pressing policy matters.

- **World Trade and Transport Conference**

February 28-March 2 | Louisville, KY
Kentucky International Convention Center

The Precast Show 2019 will take place February 28 - March 2, 2019, in Louisville, Ky., at the Kentucky International Convention Center. The Precast Show is the largest precast-specific trade show in North America and the one place where you can find the industry's most important suppliers and foremost equipment experts under one roof.

March 2019

- WASHTO Civil Rights Symposium

March 5 - 8 | Austin, TX
Sheraton Austin Hotel at the Capitol

FEATURED EVENT

Whether it is in the hiring of its employees (EEO), the utilization of contractors (DBE), the make-up of the labor force (EO/OJT), or the active dissemination of and equal access to information and resources (Title VI/ADA), the effective implementation of these civil rights programs continues to play a critical role in defining each state DOT's true success as a US DOT-funded agency

- AASHTO re:Source Technical Exchange

March 11 - 14 | Savannah, GA
The Desoto Savannah

This unique event has proven to be a great opportunity for laboratory managers, quality managers, supervisors, and technicians to learn more about quality and testing in the CMT industry. Sessions will be presented by AASHTO re:source staff, industry leaders, and other subject matter experts.

- Geo-Congress 2019

March 24 - 27 | Philadelphia, PA
Pennsylvania Convention Center

The conference will feature experiences and observations from hundreds of geotechnical projects, including recent "MegaProjects," and a wide range of knowledge-enhancing technical and panel sessions, short courses, and workshops.

- Transportation and Logistics Council Annual Conference

March 25 - 27 | Memphis, TN
Hilton Memphis

Both new and seasoned professionals from shippers, carriers, brokers, 3PL's and other service providers will be on-hand for this annual event. Updates and pertinent information affecting the transportation industry are among the many topics expected to be covered.

- IBTTA Annual Technical Summit

March 31 - April 2 | Orlando, FL
Renaissance Orlando at SeaWorld

Building on years of growing interest and participation, the Technology Summit will cover an array of new technological applications and business practices which are increasingly being incorporated into tolling operations.

April 2019

- 10th Annual AGC Conference

April 1-4 | Denver, CO
Colorado Convention Center

Whether you are focused on building market, highway and transportation, utility and infrastructure, or the federal space, the AGC Annual Convention provides a showcase into all of the ways that AGC can support your business and is working to expand opportunities in the industry. Find your place at

the table, get involved, and build better.

- **AASHTO Special Committee on Freight Meeting**

April 8 | Irvine
Beckman Center

The Special Committee on Freight shall develop policies related to legislation, regulation, and other policy matters related to the safe and reliable movement of goods for consideration by the Transportation Policy Forum and shall provide technical expertise and training for members and other freight-related agencies.

- **Design-Build for Transportation Conference**

April 8-10 | Cincinnati, OH
Duke Energy Convention Center

Are you a design-build professional in the transportation sector? Don't miss the chance to connect with other industry professionals and learn the latest industry trends at the Design-Build for Transportation Conference.

- **Advanced Clean Transportation Expo**

April 14-18 | Wichita, KS
Hyatt Regency Wichita

County road officials manage over 75% of US highways and roads, and 50% of our mass transit systems. They also own or operate over 50% of our bridges. Counties invest over \$100B annually on infrastructure!

- **AASHTO Council on Water Transportation Meeting**

April 23 | Baton Rouge, LA
Raising Cane's River Center

The Council on Water Transportation addresses all policy, regulatory, safety and enforcement issues impacting the nation's Coastal, Inland and Great Lakes waterways ability to move goods efficiently on the national freight transportation network. The Council on Water Transportation members include any state transportation department that elects to serve on the committee. States may also designate an alternate state-level agency to serve on their behalf.

- **AASHTO GIS-T Symposium**

April 23-26 | ChampionsGate, FL
Omni Orlando Resort

The GIS for Transportation Symposium allows participants to share their experiences, see state-of-the-art software, and learn more about this field through keynote speakers, discussion forums, workshops, curated sessions, informal discussions and networking events.

- **National Association of County Engineers Annual Conference**

April 23-26 | Long Beach, CA
Long Beach Convention Center

ACT Expo combines the best educational content in the industry with a cutting-edge trade show floor showcasing the most innovative technologies on the market today. Connected vehicle technologies, fuel efficiency improvement strategies and equipment, and drivetrain electrification will be key focal points for the 2019 show, set against the backdrop of increased use of alternative fuels, innovative powertrain solutions and economic & environmental fleet sustainability.

- **2019 NCAMPO Conference**

**April 24-26 | Charlotte, NC
Charlotte Convention Center**

FEATURED EVENT

The mission of NCAMPO is to positively affect policies and decision-making, to serve as a forum for communication, and to provide leadership in transportation planning.

- **AASHTO Subcommittee on Right of Way, Utilities, and Outdoor Advertising**

April 30-May 4 | Indianapolis, IN

Save the date for this annual subcommittee meeting for subject-matter experts in the fields of right of way, utilities, and outdoor advertising control.

May 2019

- **WTS Annual Conference**

**May 15 - 17 | Boston, MA
Westin Copley Place Hotel**

WTS International invites you to submit a poster abstract for the 2019 Annual Conference in Boston which will take place May 15-17, 2019 at the Westin Copley Place Hotel. The event will bring together transportation professionals to Connect, Collaborate, and Innovate in a city well known for ingenuity.

This is an opportunity for conference registrants to showcase transportation and infrastructure related projects, facilities, research and experiences that align with the Conference theme, "The Hub of Ingenuity." Accepted posters will be on display throughout the conference. Authors will be expected to share insight about their poster during the Mix N' Mingle Reception on Thursday evening and during Coffee Breaks throughout the conference. This is an opportunity to engage with others in conversation about your poster.

June 2019

- **ASCE International Conference on Transportation & Development**

**June 9 - 12 | Alexandria, VA
Hilton Alexandria Mark Center**

The Steering Committee of ASCE International Conference on Transportation & Development (ICTD 2019) is accepting abstracts for presentations at the conference. Final papers are optional for accepted abstracts; those submitted will be published upon final approval in the ASCE's Post-Conference Conference Proceedings. You do not need to be an ASCE member to submit an abstract and participate in the conference.

- **WASHTO Annual Meeting**

**June 9 - 12 | Glendale, AZ
Renaissance Glendale Hotel & Spa**

Approximately 500 attendees will be on hand to experience WASHTO 2019, which will feature informative breakout sessions, technical tours and information covering all areas of interest in highway transportation. Look for registration to open in February 2019.

- **Oklahoma Engineering Conference**

**June 20 - 21 | Oklahoma City, OK
Metro Technology Center**

The conference is open to members and nonmembers of OSPE. Attendees will be able to obtain 15 PDHs and network with engineers and companies.

July 2019

- **Northeast Association of State Transportation Officials Annual Conference**

July 8 - 10 | Wilmington, DE

Chase Center on the Riverfront

NASTO brings together representatives from the state transportation departments of the Northeastern United States and the Canadian provinces of Ontario and Quebec. These are high level decision makers including Secretaries, Commissioners, and their staff. Also in attendance are representatives from FHWA, AASHTO, and other local, regional and national government agencies. This annual event continues to draw over 300 participants.

- **International Airfield and Highway Pavements Conference**

July 21 - 24 | Chicago, IL
Holiday Inn Chicago Mart Plaza River North

Join your peers and other experts from around the world as we get together in beautiful downtown Chicago to share ideas and advance the knowledge on airfield and highway pavements.

August 2019

- **MAASTO Annual Conference**

August 12 - 14 | Indianapolis, IN

Examine how transportation makes connections across modes of travel and communities. Those connections redefine how we think of transportation, and transform the lives of the people joined by our system.

- **SASHTO Annual Conference**

August 17 - 20 | Savannah, GA
Savannah International Trade and Convention Center

FEATURED EVENT

The 78th Annual Southern Association of State Highway and Transportation Officials Conference is the premier event of the year and showcases the opportunity to exchange ideas, discuss challenges, share best practices, participate in technical sessions on highway and transportation matters, network with industry representatives and bask in the southern hospitality you can only experience in beautiful Savannah, Georgia.

September 2019

- **Railway Interchange Conference**

September 22 - 25 | Minneapolis, MN
Minneapolis Convention Center

Attended by nearly 9,000 rail industry professionals from around the globe, this truly massive event showcases the latest technology, services, and research by members of the Railway Supply Institute,

the Railway Engineering-Maintenance Suppliers Association, and Railway Systems Suppliers, Inc. Railway Interchange also features technical presentations and discussions by the American Railway Engineering and Maintenance-of-Way Association (AREMA) and the Coordinated Mechanical Associations (CMA).

- **International Highway Engineering Exchange Program**

**September 8 - 12 | Asheville, NC
Renaissance Hotel - Asheville**

FEATURED EVENT

On behalf of the North Carolina Department of Transportation, and State of North Carolina, you are invited to attend the 61st Annual International HEEP conference in Asheville, North Carolina.

October 2019

- **Colorado Transportation Summit**

October 3, 2019 | Colorado

The Colorado Transportation Summit is the largest gathering of the transportation sector in the state of Colorado. For five years, the Colorado Department of Transportation has gathered the business community, local governments, and transportation-related interests together under one roof to underscore the importance of a healthy and dynamic transportation system for Colorado.
