2019 Conference List

June 2019

- [SAVE International Value Summit](#)

June 8 - 11 | Portland, OR
Marriott Downtown Waterfront

SAVE International will be dedicating an entire 2-day track at the Value Summit to transportation. Come attend in 2019 and plan on being a presenter in 2020. In addition to the opportunity to network

with like-minded transportation professionals, our presenters are represented by FHWA, WSDOT, FDOT, MnDOT, Montana DOT, WSDOT, and others.

- **ASCE International Conference on Transportation & Development**

June 9 - 12 | Alexandria, VA
Hilton Alexandria Mark Center

The Steering Committee of ASCE International Conference on Transportation & Development (ICTD 2019) is accepting abstracts for presentations at the conference. Final papers are optional for accepted abstracts; those submitted will be published upon final approval in the ASCE's Post-Conference Conference Proceedings. You do not need to be an ASCE member to submit an abstract and participate in the conference.

- **WASHTO Annual Meeting**

June 9 - 12 | Glendale, AZ
Renaissance Glendale Hotel & Spa

Approximately 500 attendees will be on hand to experience WASHTO 2019, which will feature informative breakout sessions, technical tours and information covering all areas of interest in highway transportation. Look for registration to open in February 2019.

- **Oklahoma Engineering Conference**

June 20 - 21 | Oklahoma City, OK
Metro Technology Center

The conference is open to members and nonmembers of OSPE. Attendees will be able to obtain 15 PDHs and network with engineers and companies.

- **IBTTA Maintenance & Roadway Operations Workshop**

June 23 - 25 | Norfolk, VA
Hilton Norfolk The Main

This workshop is an opportunity to explore innovative ideas and best practices for designing, building, maintaining and operating world class transportation facilities. Topics will be divided among Management and Technical tracks and will delve into issues such as rapid deployment of projects, designing maintenance requirements into projects from the beginning, setting up day-to-day operational programs, and other practical applications.

July 2019

- **Committee for Internal/External Audit Annual Meeting**

July 7 - 12 | Orange, CA
Doubletree by Hilton - Anaheim

AASHTO Audit Subcommittee 2019

provinces of Ontario and Quebec. These are high level decision makers including Secretaries, Commissioners, and their staff. Also in attendance are representatives from FHWA, AASHTO, and other local, regional and national government agencies. This annual event continues to draw over 300 participants.

- **Automated Vehicles Symposium**

July 15 - 18 | Orlando, FL
Orlando World Center - Marriott

The Automated Vehicles Symposium will bring together the brightest minds in the tech and automotive space in Orlando, FL to discuss the future of mobility.

- **Committee on Maintenance**

July 13 - 18 | Grand Rapids, MI
Amway Grand Hotel

The Committee on Maintenance provides technical and policy guidance to members and supports the AASHTO organization in preserving and maintaining a safe and reliable highway infrastructure that meets the expectations of its customers.

- **International Airfield and Highway Pavements Conference**

July 21 - 24 | Chicago, IL
Holiday Inn Chicago Mart Plaza River North

Join your peers and other experts from around the world as we get together in beautiful downtown Chicago to share ideas and advance the knowledge on airfield and highway pavements.

- **Joint Meeting on Committee on Design and Active Transportation in Collaboration**

July 21 - 26 | Reno, NV
Reno Peppermill

This meeting is being conducted in coordination with the TRB Roadside Safety Design Committee.

- **National Research Advisory Committee and TRB State Representatives Meeting**

July 22 - 25 | Santa Fe, NM
Drury Plaza Hotel in Santa Fe

- **Northeast Association of State Transportation Officials Annual Conference**

July 8 - 10 | Wilmington, DE
Chase Center on the Riverfront

NASTO brings together representatives from the state transportation departments of the Northeastern United States and the Canadian

- **TRANSCOMM**

July 28 - 31 | Indianapolis, IN
Omni Severin Hotel

The AASHTO Committee on Transportation Communications - TransComm - is made up of public affairs professionals from the 50 states, Puerto Rico and the District of Columbia. It promotes excellence in communications through the exchange of ideas and educational programming, presents annual skills awards and advises other committees on communications issues.

The TransComm Annual Meeting is an opportunity for transportation communicators from around the United States to build relationships that benefit their state DOTs, highlight successes, share ideas and learn from each other. In addition, much of the committee's business is carried out during the meeting.

August 2019

- **Committee on Materials and Pavement Annual Meeting**

August 5 - 8 | Baltimore, MD
The Four Seasons Hotel

The Committee on Materials and Pavements shall provide a forum for the development and exchange of information related to materials testing, specification, and performance; and pavement design, testing, and management. The committee shall develop and maintain: technical specifications for materials used in the construction and maintenance of all transportation facilities including highways, bridges, and structures; guides, policies, and standards for the quality, design, rehabilitation, testing, and management of pavements and shoulders; specifications for standard methods of sampling and testing such materials and other items incident to construction, maintenance, operation, and quality of such facilities; and information on the performance of special products evaluated by member departments.

- **Committee on Environment and Sustainability and Committee on Funding and Finance**

August 6 - 8 | Minneapolis, MN
Radisson BLU Downtown

COES assists members in delivering a national, regional and local intermodal transportation system that is safe, resilient, economical, efficient, environmentally sound, and aesthetically and culturally sensitive.

The Committee on Funding and Finance shall provide leadership & expertise on federal and state transportation funding and finance issues. To ensure consistency and the best thinking of the Association, the committee shall work cooperatively, as appropriate, with other committees.

- **Committee on Construction**

August 11 - 15 | Franklin, TN
Franklin Marriott Cool Springs

The AASHTO Committee on Construction works diligently to advance efforts to improve safety in work zones, improve customer service and collaboration, promote quality, advocate for environmentally responsible construction projects, encourage technology driven improvements to business practices, develop and empower our workforce to be successful, promote best practices for the administration of all construction contracts and utilize construction efficiency and cost effectiveness. There are also many great opportunities for networking with your colleagues.

- **MAASTO Annual Conference**

August 12 - 14 | Indianapolis, IN
Hyatt Regency - Downtown

The Mississippi Valley Conference of State Highway and Transportation Officials (MVC) was organized in 1907, prior to the establishment of a national transportation organization, which later became known as AASHTO. In 2010, the organization changed its name to the Mid America Association of Transportation Officials (MAASTO) to better reflect the location of the member states. The goal of MAASTO, is to foster the development, operation, and maintenance of an integrated and balanced transportation system that adequately serves the transportation needs of the ten member states. MAASTO consists of ten states primarily in the Midwest including Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Missouri, Ohio, and Wisconsin.

- **Infrastructure Advancement Institute Annual Summit**

August 12 - 14 | Dallas, TX
Four Seasons Dallas

IAI Summit 2019 gathers public employees, consulting engineers, and contractors in a three-day professional, interactive, and technically engaging yet fun-filled conference.

The 2019 Annual IAI Conference will be held at the beautiful Four Seasons Resort and Club Dallas at Las Colinas from August 12 - August 14, 2019. Four tracks of technical sessions are planned to fully engage all participants.

- **SASHTO Annual Conference**

August 17 - 20 | Savannah, GA
Savannah International Trade and Convention Center

The 78th Annual Southern Association of State Highway and Transportation Officials Conference is the premier event of the year and showcases the opportunity to exchange ideas, discuss challenges, share best practices, participate in technical sessions on highway and transportation matters, network with industry representatives and bask in the southern hospitality you can only experience in beautiful Savannah, Georgia.

September 2019

- **Railway Interchange Conference**

September 22 - 25 | Minneapolis, MN
Minneapolis Convention Center

Attended by nearly 9,000 rail industry professionals from around the globe, this truly massive event showcases the latest technology, services, and research by members of the Railway Supply Institute, the Railway Engineering-Maintenance Suppliers Association, and Railway Systems Suppliers, Inc. Railway Interchange also features technical presentations and discussions by the American Railway Engineering and Maintenance-of-Way Association (AREMA) and the Coordinated Mechanical Associations (CMA).

- **International Highway Engineering Exchange Program**

September 8 - 12 | Asheville, NC
Renaissance Hotel - Asheville

On behalf of the North Carolina Department of Transportation, and State of North Carolina, you are invited to attend the 61st Annual International HEEP conference in Asheville, North Carolina.

- **National Association of City Transportation Officials**

September 9 - 12 | Toronto, Canada

The NACTO Designing Cities Conference brings together 1,000 officials, planners, and practitioners to advance the state of transportation in cities.

- **Mobility 21 Annual Summit**

September 27 | Anaheim, CA

Disneyland Hotel

October 2019

- **Colorado Transportation Summit**

October 3, 2019 | Colorado

The Colorado Transportation Summit is the largest gathering of the transportation sector in the state of Colorado. For five years, the Colorado Department of Transportation has gathered the business community, local governments, and transportation-related interests together under one roof to underscore the importance of a healthy and dynamic transportation system for Colorado.

- **INTERSECT19**

October 8 - 10 | Knoxville, TN
GRIDsmart Headquarters

Your city, project, or product is only as good as the foundation it's built on. INTERSECT is the foundation for training ITS professionals for the connected future of a technology driven transportation industry. Technicians earn TARP points through GRIDSMART specific product sessions and SEMAPHORE, an industry specific training program to educate the next generation of ITS professionals. Industry leaders share insight on developing the framework for successfully deploying intelligent technology as solutions in your community.

- **American Planning Association - North Carolina**

October 8 - 11 | Wilmington, NC
Wilmington Convention Center

*The inspiration for this year's conference is **Envisioning Opportunity in the Face of...** and the Conference Committee is working hard to build an agenda to empower participants and supply them with fresh ideas to take back to their communities. This year's Conference will feature concurrent sessions, lightning rounds, networking opportunities, vendor displays, and mobile workshops highlighting Wilmington, New Hanover County and the surrounding communities.*

- **APTA TRANSform Conference 2019**

October 13-16 | New York, NY
Marriott Marquis

APTA's Annual Meeting is the flagship event for public transportation professionals to engage in workshops, join tours, and network with colleagues. Keynote speakers and educational sessions explore hot topics, including transformative technology, community building, innovative funding and finance, safety, workforce development, worldwide mega projects, and more.

November 2019

- **Focus on the Future - 2019**

November 17 - 19 | Coronado, CA
Hotel del Coronado

The Focus on the Future conference provides a forum for Self-Help Counties and other transportation agencies, elected officials, and the private sector to share experiences, highlight upcoming projects, and interact in a relaxed environment. The conference continues to be the premier transportation conference in California with over 800 people in attendance and growing.

2020 Conference List

January 2020

- **American Concrete Pipe Association School/Pipe Show**

January 6-9, 2020 | San Marcos, TX (SAVE THE DATE)

- **Transportation Research Board - 99th Annual Meeting**

**January 12 - 16 | Washington, D.C.
Walter E. Washington Convention Center**

Pipe School's New Transportation Track a Great Success

The meeting program will cover all transportation modes, with more than 5,000 presentations in nearly 800 sessions and workshops, addressing topics of interest to policy makers, administrators, practitioners, researchers, and representatives of government, industry, and academic institutions. A number of sessions and workshops will focus on the spotlight theme for the 2020 meeting: A Century of Progress: Foundation for the Future.

February 2020

- **Routes Americas Forum**

February 4 - 6 | Indianapolis, IN
JW Marriott

Routes Americas Forum is your opportunity to meet with senior decision makers from the region's airlines, airports, and destinations to discuss new market opportunities and the evolution of existing services. The event connects you with the region's leading airlines, airports and tourism authorities, enabling you to build high-value relationships with some of the most influential aviation professionals from across the region.

May 2020

- **Safer Roads 2020 - International Conference**

**May 12 - 14, 2020 | Richmond, VA
Richmond Convention Center**

This year's conference will be held in conjunction with the American Association of State Highway and Transportation Officials (AASHTO) Committee on Safety. The AASHTO group includes both policy and technical level within the state department of transportation (DOT), and represents the multidisciplinary approach to safety performance, including experience in engineering, enforcement, education, emergency medical service or incident response, and the use of data-driven safety evaluation, analysis, and diagnosis to identify and address the need to reduce crashes.
