Open for Innovation - Texas Mobility Summit

TxDOT's Texas Technology Task Force is hosting the Texas Mobility Summit to advance the creation of a Smart State Consortium, encourage public-private dialogue, and galvanize key leadership in developing innovative solutions to the state's mobility challenges. City and regional teams will have the opportunity to share their ideas - from enabling connected vehicles to providing transportation options at your fingertips - and develop a common vision for the future of Texas mobility. Join us in Austin, Texas on December 1-2 for an interactive experience designed to generate a unified strategy for Texas to anticipate customer needs, leverage resources, and drive economic growth.

- Day 1: Exchange & Envision - Invitation Only. Engage with city and regional teams from across Texas as they share ideas and discuss the role emerging technologies will play in improving safety, enhancing mobility, and enabling economic growth for all communities.
- Day 2: Share & Develop - Teams present their vision for an innovative mobility system and propose solutions to pilot. Following, teams will have the opportunity to work with a variety of stakeholders to refine ideas and interact with industry leaders.
- Connect with Partners! - Identify common challenges, shared goals, and collective action items in collaboration with transportation agencies, researchers, and industry leadership to launch an ongoing Smart State effort.

Register by November 10 at <http://ctr.utexas.edu/texas-mobility-summit/> for an opportunity to contribute to moving Texas forward. Featuring team presentations from the most innovative cities/regions across Texas and the major Texas Research Institutions, participants will gain valuable insights from a variety of transportation stakeholder perspectives. Opportunities are going fast for this first-of-its-kind conference. For more information about how you can become a key part of this opportunity, email Ernie Cochran at ernie@housmanandassociates.com or call 512.413.5969.
