CALL FOR SPEAKERS

2019 Conference List

October 2019

- Colorado Transportation Summit

October 3 | Colorado

The Colorado Transportation Summit is the largest gathering of the transportation sector in the state of Colorado. For five years, the Colorado Department of Transportation has gathered the business community, local governments, and transportation-related interests together under one roof to underscore the importance of a healthy and dynamic transportation system for Colorado.

- AASHTO Annual Meeting

**October 5 - 9 | St. Louis, MO
Marriott St. Louis Grand**

The AASHTO Annual Meeting is one of the industry's most important gathering of transportation, government and commercial organizations. The Annual Meeting offers transportation executives the opportunity to network and share the latest in industry policies and innovations.

- INTERSECT19

**October 8 - 10 | Knoxville, TN
GRIDsmart Headquarters**

Your city, project, or product is only as good as the foundation it's built on. **INTERSECT** is the foundation for training ITS professionals for the connected future of a technology driven transportation industry. Technicians earn TARP points through **GRIDSMART** specific product sessions and **SEMAPHORE**, an industry specific training program to educate the next generation of ITS professionals. Industry leaders share insight on developing the framework for successfully deploying intelligent technology as solutions in your community.

- **American Planning Association - North Carolina**

October 8 - 11 | Wilmington, NC
Wilmington Convention Center

The inspiration for this year's conference is **Envisioning Opportunity in the Face of...** and the Conference Committee is working hard to build an agenda to empower participants and supply them with fresh ideas to take back to their communities. This year's Conference will feature concurrent sessions, lightning rounds, networking opportunities, vendor displays, and mobile workshops highlighting Wilmington, New Hanover County and the surrounding communities.

- **APTA TRANSform Conference 2019**

October 13-16 | New York, NY
Marriott Marquis

APTA's Annual Meeting is the flagship event for public transportation professionals to engage in workshops, join tours, and network with colleagues. Keynote speakers and educational sessions explore hot topics, including transformative technology, community building, innovative funding and finance, safety, workforce development, worldwide mega projects, and more.

November 2019

- **Design-Build Conference & Expo - 2019**

November 6 - 8 | Las Vegas, NV
Caesar's Palace

Less than 25 years ago, design-build was considered radical. Now it's the most popular and fastest growing project delivery method - and will deliver nearly half of America's construction projects.

- **Focus on the Future - 2019**

November 17 - 19 | Coronado, CA
Hotel del Coronado

The Focus on the Future conference provides a forum for Self-Help Counties and other transportation agencies, elected officials, and the private sector to share experiences, highlight upcoming projects, and interact in a relaxed environment. The conference continues to be the premier transportation conference in California with over 800 people in attendance and growing.

- **Texas Mobility Summit - 2019**

November 17 - 19 | San Antonio, TX
Hilton Palacio del Rio

The Summit is a forum of innovation that brings together transportation leadership - policymakers, public agencies, research, industry, and community organizations - with the goal of developing shared solutions to the state's most pressing mobility challenges. This year, the Alliance is focusing on coordinating mobility-as-a-service initiatives, developing connected and automated vehicle best practices, and strengthening the links between the transportation system and access to economic opportunities.

ADVERTISEMENT

The advertisement features the HEADLIGHT logo at the top center. Below it, the text reads "Both say the trench has inadequate shoring." A double-headed arrow points from a physical logbook on the left to a tablet displaying a software interface on the right. The logbook contains handwritten notes, while the tablet shows a digital version of the same notes with a color-coded status bar. At the bottom, the text asks "Which one enables a faster response?" and includes a "Learn More" link.

2020 Conference List

January 2020

- **American Concrete Pipe Association School/Pipe Show**

January 6-9, 2020 | San Marcos, TX
Texas State University

Leadership starts at the top and trickles its way through an organization. Strong leaders provide vision and intent to their organization. They also provide their organization the means to become better, through training and education. ACPA's Board of Directors provides the vision, intent and means to ensure that the concrete pipe and the precast concrete products industry remains of vital importance to sustainable communities. An effective training and best practices sharing forum provides the means that ensures the concrete pipe and precast industry remain at the top. The annual Pipe School and Show provides the mechanism to continue the training and development of its employees and transportation professionals and ensuring the concrete pipe and precast concrete industry remains the #1 choice of infrastructure asset management professionals.

- **2020 NC Transportation Summit**

January 8 - 9 | Raleigh, NC
Raleigh Convention Center

By 2040, an estimated 3 million more people will be living in North Carolina. More than 1,000 people attended the 2019 Summit. Industry experts will offer insight and guidance on the future of mobility. Experience cutting-edge technology of the future at the trade expo.

- **Transportation Research Board - 99th Annual Meeting**

January 12 - 16 | Washington, D.C.
Walter E. Washington Convention Center

The meeting program will cover all transportation modes, with more than 5,000 presentations in nearly 800 sessions and workshops, addressing topics of interest to policy makers, administrators, practitioners, researchers, and representatives of government, industry, and academic institutions. A number of sessions and workshops will focus on the spotlight theme for the 2020 meeting: A Century of Progress: Foundation for the Future.

- **ATTSA Annual Convention & Traffic Expo**

January 24 - 28 | New Orleans, LA
Ernest N. Morial Convention Center

ATTSA's Annual Convention & Traffic Expo is the premier event for more than 3,500 roadway safety professionals and transportation officials from across the USA and around the globe. The convention brings together business leaders, government officials, manufacturers, corporate roadway department personnel and all manner of people involved in nearly every aspect of roadway safety.

February 2020

- **Routes Americas Forum**

February 4 - 6 | Indianapolis, IN
JW Marriott

Routes Americas Forum is your opportunity to meet with senior decision makers from the region's airlines, airports, and destinations to discuss new market opportunities and the evolution of existing services. The event connects you with the region's leading airlines, airports and tourism authorities, enabling you to build high-value relationships with some of the most influential aviation professionals from across the region.

- **Association of Modified Asphalt Producers - Annual Conference**

February 11 - 14 | Rancho Mirage, CA
SAVE THE DATE

Modified Asphalt - The Proven Choice. Today's modified asphalt mix designs provide long lasting, cost effective, quiet and smooth driving surfaces. Each year, AMAP brings together industry leaders and technology experts to discuss successful modified asphalt projects as well as advances and changes in technology and industry needs.

- **IBTTA Leadership Academy**

February 23 - 28 | Washington, DC
Westin City Center

IBTTA's Leadership Academy was founded in 2008 by the IBTTA Foundation Board of Directors. The Leadership Academy is an executive development program tailored specifically for senior-level managers in public and private sector organizations that serve the toll industry.

This intense week-long course is taught by internationally recognized toll industry leaders, business partners, educators and public officials. The curriculum varies every year and spans all facets of toll agency operations, administration, finance, marketing, business development, board relations, public affairs and related topics. The Executive Development Program is directed by Barbara K. Gannon, Psy.D., who has designed and delivered education and training programs in the transportation sector for over 20 years. Dr. Gannon is joined by Maggie Wilkins of Wilkins Strategies and numerous distinguished instructors from the public and private sectors. The Leadership Academy is funded by student tuition along with contributions to the IBTTA Foundation

- **Geo-Congress 2020**

February 25 - 28 | Minneapolis, MN
Hyatt Regency Minneapolis

In 2020, the Geo-Congress will bring the quality you expect, the networking opportunities you value, and the peer interaction that only in-person experiences provide. We are introducing some new programming and themes to make this conference a "signature event" for consulting engineers, contractors, researchers, owners, and students.

- **AASHTO Washington Briefing**

February 25 - 28 | Washington, D.C.
Washington Court Hotel

The Washington Briefing provides an excellent opportunity for participants to collaborate with State Departments of Transportation leaders and industry executives on pressing policy matters. Given the close partnerships necessary to best serve the traveling public and businesses around the country, the conference will feature key stakeholder groups including Congressional members and staff, federal executive branch leaders, trade associations, and media.

March 2020

- **Minnesota Transportation Conference 2020**

March 3 - 4 | St. Paul, MN
St. Paul RiverCentre

Minnesota's Transportation Conference, the largest transportation event in the state, explores the latest transportation innovations and offers networking opportunities for transportation professionals.

- **2020 AGC Convention**

March 9 - 12 | Las Vegas, NV
SAVE THE DATE

With more than 15 education breakout sessions, keynote presentations from superstars of the industry, and cutting-edge solutions from more than 125 companies in the AGC Equipment, Technology & Construction Solutions Expo, the AGC Annual Convention is the place for construction superintendents, project managers and senior executives to hone their knowledge while making connections that open doors to new opportunities.

April 2020

- **National Association of County Engineers Annual Conference**

**April 19 - 23 | Orange Beach, AL
Perdido Beach Resort**

The LARGEST event of County infrastructure officials.

- **Transportation and Logistics Council Annual Conference**

**April 27 - 29 | Orlando, FL
Doubletree at Seaworld**

Both new and seasoned professionals from shippers, carriers, brokers, 3PL's and other service providers will be on-hand for this annual event. Updates and pertinent information affecting the transportation industry are among the many topics expected to be covered.

May 2020

- **Utility Engineering and Survey Institute Annual Conference**

May 4 - 6, 2020 | College Station, TX

Utility Engineering and Survey Institute (UESI) Texas Chapter is proud to announce our Second Annual Conference to highlight and promote membership in our growing specialized team of professionals. With your expertise, we hope to deliver the message related to the importance of working relationships between the Project Stakeholders involved in Utility Coordination, Utility Engineering and Surveying to tackle the scope, schedule, cost and quality issues on our projects throughout the state of Texas.

- **Safer Roads 2020 - International Conference**

**May 12 - 14, 2020 | Richmond, VA
Richmond Convention Center**

This year's conference will be held in conjunction with the American Association of State Highway and Transportation Officials (AASHTO) Committee on Safety. The AASHTO group includes both policy and technical level within the state department of transportation (DOT), and represents the multidisciplinary approach to safety performance, including experience in engineering, enforcement, education, emergency medical service or incident response, and the use of data-driven safety evaluation, analysis, and diagnosis to identify and address the need to reduce crashes.

- **AASHTO Spring Meeting - 2020**

**May 18 - 22, 2020 | Kansas City, MO
Loews Hotel Kansas City**

AASHTO's mid-year event is only rivaled by the Annual Meeting. If you are part of the conversation for the future of transportation, this conference is one you should circle.
