## INTRODUCING THE PSS SMART ASSET PROGRAM

PSS invites you to evaluate the use of RoadQuake Temporary Portable Rumble Strips (TPRS) in the advance of your truck-mounted attenuators, at no charge to you.

Using auditory and vibratory alerts, RoadQuake TPRS can improve the driver's attention to work zones but also your assets. RoadQuake TPRS reduces potential injuries, project delays, and capital investment in new equipment.

## VIRTUAL MEETING LISTINGS

Some conferences have converted the information exchange opportunity into a virtual one as a temporary way to meet the current goals of the group they represent. This list below is just a sampling of those opportunities. Continue to check on the conference(s) you attend to see if they are exploring new platforms for you.

Click on the Title to link to the meeting information:

- [Transportation Research Board Webinar Calendar](#)
- [APTA Sustainability & Multimodal Planning Workshop](#)
- [Automated Vehicles Symposium](#)
- [IAI Virtual Summit](#)
- [IRWA - Region 2](#)
