VIRTUAL EVENT OF THE MONTH

**AASHTO's
2021 VIRTUAL
SPRING MEETING**

Join Us May 10–14, 2021

AASHTO's 2021 Virtual Spring Meeting is focused on two main themes that reflect the priorities of AASHTO President and New Hampshire DOT Commissioner Victoria Sheehan. The event will include sessions focused on the value of transportation and transportation workforce challenges along with AASHTO committee meetings.

You can look forward to keynote addresses and panel discussions from top industry leaders. Knowledge sessions will take an in-depth look at issues important to state DOTs. Peer exchange sessions will be a new way for meeting participants to engage with each other and share best practices regarding specific topics relevant to the overarching themes of the day. Peer exchange sessions will be participant directed and will offer opportunities for networking, sharing of information, and hearing about what is happening in the industry and within the state DOT community.
